SUPPORT GROUPS

Due to social distancing requirements and facility restrictions, support groups for St. Joseph and Niles are cancelled for the month of September. However, that does not mean that there is not support for those with cancer. There are a large variety of online cancer support groups with some groups being general and cover all cancer diagnoses while other are specific for a particular diagnosis. A few websites to get started with are **cancercare.org**, **cancerhopenetwork.org**, and **cancersupportcommunity.org**.
