## *My Rock*

*by Pat Mora*

Summer's ending.

I sit on my desert rock, listen  
to the world's hum.

Crows and ravens caw,  
finches and sparrows chirp. A dog barks.

Can I face  
the halls of judgments?

A breeze strokes my face,  
brings me back to spiders  
and lizards busy at their chores,  
private conversations—  
sights and sounds I savor.

This earth, my home.

High on the vast blue canvas,  
clouds curl, float.

Taking a deep breath, I gather myself.  
I bring what I am.

We are seeking people who have been impacted by our nursing and loan closet as well as those who have donated or volunteered to be part of a video that is being developed to highlight our services. When completed, this video will be available to play in a variety of venues, such as civic clubs, churches, and businesses as well as on our social media sites. Please email [director@bccancerservice.org](mailto:director@bccancerservice.org) or call 269-429-3281 and ask for Tyanna or Nancy.

However, there are a large variety of online cancer support groups. A few websites are [cancerhopenetwork.org](http://cancerhopenetwork.org), [cancercare.org](http://cancercare.org), and [cancersupportcommunity.org](http://cancersupportcommunity.org).

## **BCCS EVENTS**

With the recent increase in COVID-19 infections in our area, we are very sorry to announce that we are having to place all events on hold at this time. Keep in touch with us through our Facebook, Website, and Instagram postings.

## **THANK YOU FOR YOUR DONATIONS!**

We are taking precautions to help prevent the spread of COVID-19. Please call if you have loan closet donations so that we can phone screen items prior to bringing them. Please call (269) 429-3281 if you need medical equipment, supplies, or our skilled nursing services.

## **THANK YOU FOR SUPPORTING OUR MISSION**

It is YOU our community that enables us to care for those with cancer and related illnesses in our community. We are grateful for all the support and are honored that you trust us to do our best to provide in-home skilled nursing care for our patients and those who need our assistance. **A special “Thank You” to Van’s Medical Equipment for picking up, cleaning and delivering our durable medical equipment as a courtesy to BCCS in support of our community!**

## **ART PLAY WORKSHOPS**

**Art Play Workshops are held monthly through the Krasl Art Center, with limited classroom seats. We are in a transition with having both in-person and Zoom options at this time. If you are interested in joining a workshop, please call 269-429-3281 and ask for Nancy or email her at [director@bccancerservice.org](mailto:director@bccancerservice.org)**

These workshops are designed for families impacted by cancer and are designed for children and adults to learn side-by-side as they use clay, watercolor, and other media to express themselves through art. If you know of any children who have a family member or close friend with cancer, please call us.

### *From the Desk of Nancy Church, RN*

For all of us, it has been difficult to have to restrict ourselves over something that we cannot even see – all we can see is the devastation that it causes. As mentioned on the Bulletin Board page, we are sad to have to pull back from events just when we were hoping to move forward and enjoy seeing you in person. Feeling the need to connect with you at this time as well as share our mission of compassionate caring with the community, we are starting to work on a project that we hope will be shared over and over again here in Berrien County.

Over the next few weeks, we will be working on a video to highlight the ways we bring our compassionate caring into the lives of people in our community. Our desire is to increase awareness of the in-home skilled nursing care, loan closet, and other supportive assistance for those with cancer. Additionally, we have a program for anyone who needs durable medical equipment to borrow items on a short-term basis. This is needed information for the person facing surgery, has an injury, or is waiting for equipment on order. All of our services are no cost because we have been loved and supported by individuals, churches, businesses, civic groups and others here in Berrien County for 73 years! This support allows us to provide our in-home skilled nursing care to people going through cancer treatment who need extra support but are not eligible for an in-home skilled nursing service by their insurance provider or Medicare. Our patients never have to worry that their number of visits will run out before their needs are taken care of. This nursing care is unlike any that I have been able to find anywhere. What a precious jewel we have here in Berrien County—all because of YOU!

As I sit here contemplating the several varied cancer types that utilize September as their awareness month, trying to choose one doesn't seem quite right and my mind goes to various friends and family members that have been impacted by these cancers.....the friend who was diagnosed with chronic leukemia soon after the development of a break-through targeted therapy drug over 15 years ago who continues to do well, my aunt who passed away when I was 7 years old from uterine cancer, a friend who had to drop out of college for a year during treatment for Hodgkin's lymphoma who has gone on to have children and grandchildren, several friends and relatives with prostate cancer, a friend with young children diagnosed with thyroid cancer who has also been able to see her children grow up, a lady where I picked strawberries when I was a kid diagnosed with ovarian cancer. We all have memories and stories of how cancer has affected our lives. Let's make this month a month to reach out to someone who is going through treatment and would feel your love with a card, a favorite dish of food, or a "May I do a load of laundry for you?"

***PS: We are looking for people who have been helped by our nursing services, loan closet, been a donor or volunteer of BCCS to be part of our video. Please email [director@bccancerservice.org](mailto:director@bccancerservice.org) or call 269-429-3281 and ask for Tyanna or Nancy.***
